LIBERTÉ MINISTRIES

CHRIST . EDUCATION . SELF SUFFICIENCY

It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. **(Galatians 5:1)**

Mission

Our mission is to help all of our "neighbors" live in the dignity given to mankind when we were created in the image of God. Our desired outcome is that when children "graduate" from Harry's Home at age 18 they will be physically spiritually, intellectually, and emotionally healthy; educationally and vocationally equipped to live a full life as a valued productive member of the Bonnette community.

I have – – – beheld Your power and your glory. (Psalm 63:2)

Watershed Events

A watershed moment is a turning point, or historic moment. For instance, the day you proclaimed Jesus Christ your Lord and Savior and were Baptized into Him might have been a watershed moment in your life.

This month at Liberté Ministries contained so many watershed moments that I feel privileged that the Lord allowed me to sit by and "behold His power and glory."

I am going to try and capture and pass along some of the blessing I have experienced. Having said that, I know I will fail because words are inadequate. You really need to have seen "the movie."

The Hunger Bench

In the picture at the top of the next column, Arvy is sitting on the "hunger bench" with a number of the students of the Bonnette Elementary & Middle School. "Hunger Bench?" Why are they so happy, you might ask. Because the "hunger bench" has been eliminated.

(Continued From Previous Column)

Proper nutrition, or at least some nutrition is critical to learning. So, historically, if a child hadn't eaten in two days, they could go sit on the hunger bench and staff would get them something to eat.

You've read about brother Harry. The hunger bench did not set well with Harry. He resolved that somehow, someway it would be abolished!

He found out that for about 50¢ per day or about $10.00 per month we could feed a child a huge plate of rice and beans every school day.

Harry says, "We must find a way, we must feed the children." So, we made that commitment—**Praise God**

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."
(Matthew 19:14)

Is Jesus Being Seen in the Community?

This satellite photo illustrates the "foot print" of this work in the Bonnette community. Because of your prayers and support, people going about their day-to-day activities in Bonnette are more and more likely to see the "hand for God" at work in their community.
