A Ministry overseen by Petersville Church of Christ

It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. **(Galatians 5:1)**

Mission

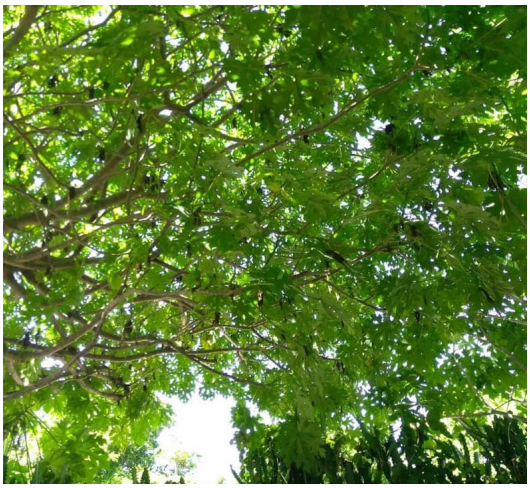

Our mission is to help all of our "neighbors" live in the dignity given to mankind when we were created in the image of God. Our desired outcome is that when children "graduate" from Harry's Home at age 18 they will be physically spiritually, intellectually, and emotionally healthy; educationally and vocationally equipped to live a full life as a valued productive member of the Bonnette community.

The Gospel Is On the Move
at Croix des Bouguets

Haiti School of Biblical Studies graduate, Jean Remy reminds me of the disciples we read about in the Book of Acts. Like the disciples in Acts 8:4, " Those who had been scattered preached the word wherever they went," Jean Remy seeks to share the Gospel everywhere he goes.

Some months ago, Jean Remy "planted" a church somewhere beyond where the road ends, called Petit Place. Here is a picture of the roof where that little church met.

For months Jean Remy continued to preach, teach, and pray. All of the members of the sprouting tree church continued to worship and glorify God. They prayed and prayed that the Lord would provide a place for hem to worship in out of the elements.

Bathing the need in prayer, the Elders and the pulpit minister at Croix des Bouguets Church of Christ, Evands Pierre brought the need to the Liberté Ministries team and we brought it to all of you.

In the next column, Evands is presenting a lease check for a building to Jean Remy & they stand at the building with an elder.

If you follow from Haiti, these are pretty typical recent headlines. Because of this unrest we haven't led a mission trip in some time.

Allow me to take a moment to update everyone on the greatness of God's continued blessings for His work in Haiti. Through the prayers and material support of all of you His work continues to grow and the Gospel continues to be spread. (*See Page 1*)

It is SO critical that we not loosen our Spiritual connection with the saints because our physical connections have been limited. The need is greatest when circumstances are most difficult.

Here are a few "praise reports" about the work God is continuing to do amid the chaos

On March 11th Harry Hames facilitated a very successful conference call with a similar ministry from McKinney Texas. This group focuses on providing clinical medicine and a robust nutrition program in Haiti. They graciously agreed to provide future medical treatment for the children who live in Harry's Home, free of charge. In addition they agreed to send a medical team to Bonnette to conduct an on-site wellness clinic. This is an amazing blessing from God. Remember the nearest medical treatment is 45 minutes to an hour away from Bonnette on a dangerous road.

The same group is willing to share expertise and logistical support in an effort to expand our nutrition program. This is also HUGE. Just imagine, a container can hold 300,000 meals. A congregation we are not currently working with has expressed an interest in discussing these possibilities further. Again, PRAISE GOD!

We incurred an unexpected $10,000 tariff charge for the most recent container shipped. We reached out to a few congregations and individuals and by God's grace God the full amount was provided .

In the past 30 days a number of individuals and two new congregations joined in support of the ministry; another great blessing from God.

On behalf of our brothers and sisters in Haiti, thank you! Your prayers and your support are making a difference. The Gospel is on the move. **God bless you all!**

Truth & Secret in Haiti's Creole Proverbs

Lè y'ap plimen poul kodenn pa ri.

When the chicken is being plucked, the turkey doesn't laugh.

Don't laugh at others' misfortune, for it could happen to you, too.

Don't go beyond your competency
