August 2021

A Ministry overseen by Petersville Church of Christ

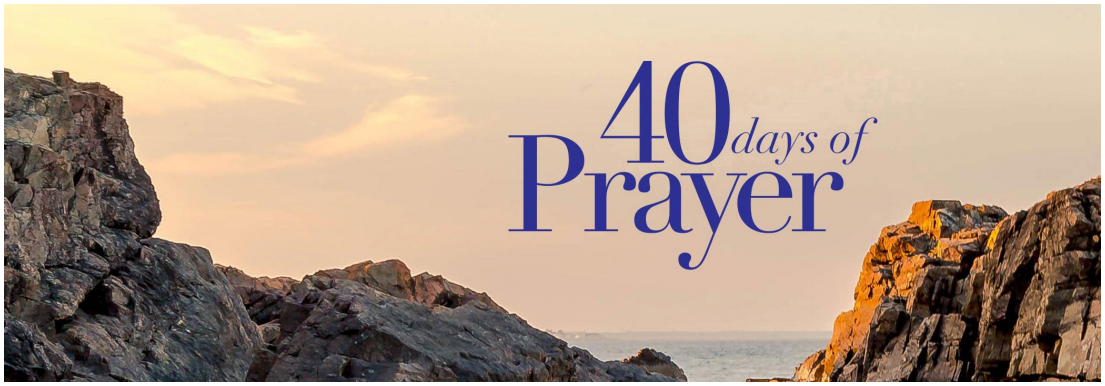

It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. **(Galatians 5:1)**

Mission

Our mission is to help all of our "neighbors" live in the dignity given to mankind when we were created in the image of God. Our desired outcome is that when children "graduate" from Harry's Home at age 18 they will be physically spiritually, intellectually, and emotionally healthy; educationally and vocationally equipped to live a full life as a valued productive member of the Bonnette community.

40 Days of Prayer for Liberté

"– – – and rain fell on the earth 40 days and 40 nights" (Genesis 7.12)

That is the first time *40 Days* is mentioned in Scripture, but it wouldn't be the last. In fact at least seven more times there are references to 40 days and/or 40 nights. Regardless of how we view this oft used segment of time, it does seem that God often used this number to place special emphasis on something. 40 days is already an important part of Liberte' Ministries work with the coin cards we distribute. The cards contain 40 quarter slots; as Harry likes to say "a quarter a day."

Each year Liberté Ministries Board members meet to review the previous year's ministry results and set major ministry objectives for the following year. In Acts 13:2-3 we find the elders of the church in Antioch bathing Paul and Barnabas in prayer before sending them into the mission field.

With all of this in mind we propose *forty days of fervent, prevailing prayer in advance of this year's, planning meeting*.

We will begin bathing the ministry in prayer on August 6th and every day leading up to our meeting on September 14th. We want to go beyond making a simple "prayer request."

Beginning on August 6th, check our Facebook page at www.facebook.com/liberteministries daily. We will publish a scripture and specific prayer suggestions each day from then until September 14th. This is one tangible way you can impact the work in Haiti. Please join us as we put special emphasis on the future of our work in Haiti and pray for God's provision and guidance.

What do Senator Jeremiah Denton, the Churches of Christ and the US Air Force Have in Common?

That's right; peanut butter! Each year about this time the UNA Student Center conducts a major effort to complete a peanut butter drive for our ministry. In April 2017, about $^{1}/_{2}$ the number of calories per day were available to the average Haitian as the average person in the US. This is particularly devastating for children. People deprived of adequate protein and nutrients during childhood may never properly develop. Two table spoons of peanut butter will provide 16% of an adult's daily protein requirements. So it is a cost effective, portable, practical source of vital nutrition and may make the difference for hungry kids.
